All sales are "As Is- Where Is". Sierra Auction disclaims all warranties or guarantees including any disclosed or undisclosed security interests or liens on the title to the items purchased herein. Upon request, and with the showing of a compelling purpose, Sierra Auction will disclose to the Buyer under a non disclosure agreement, the name of the Seller of the items purchased.

The taxable items described on the attached invoice will be resold, rented, or leased by me within the geographical limits of the USA, it's territories and possessions, or within the geographical limits of the United Mexican States, in their present form, or attached to other taxable items to be sold. I understand that if I make any use of the items other than retention, demonstration or display while holding them for sale, lease or rental, I must pay sales tax on the items at the time of use based upon either the purchase price, or the fair market rental value for the period of time used. I understand that it is a criminal offense to give a resale certificate to the seller for taxable items that I know at the time of purchase are purchased for use rather than for the purpose of resale, lease, or rental and, depending on the amount of tax evaded, the offense may range from a Class C misdemeanor to a felony of the second degree. It is the policy of Sierra Auction Management, Inc. to charge sales tax unless we have a current "Transaction Privilege Tax License" and a current "Arizona Form 5000" on file. To be exempt from paying taxes on vehicle purchases, a buyer must present a current and valid "Motor Vehicle Dealer License".
