Sales taxes

State law requires us to collect sales taxes on all transactions unless the buyer provides proof of a sales tax exemption. Possible exemptions include agricultural use exemption, exempt buyer status, and resale exemptions. If you reasonably prove your eligibility for one of these exemptions, Purple Wave will reissue you an invoice with sales tax exemptions applied. Contact Purple Wave with questions. We cannot offer advice, opinions or guarantees about whether you are in fact exempt. Consult your tax advisors if you have eligibility questions. If you are eligible for an exemption, please complete the appropriate exemption certificate and email it to auction@purplewave.com or fax to 866.604.2264.

Asset pickup

Purple Wave reserves the right to hold assets and/or certificates of title until funds availability is confirmed. Assets will be released for pickup by you after your payment is confirmed. Winning bidders must contact the seller's contact (noted below) and bring a copy of their "\$0 due" invoice to the seller in order to make pickup. Purple Wave will communicate directly with the seller to confirm receipt of payment. Unless other removal arrangements are made with the contact at the location of your won assets within 48 hours from the end of the auction, fees for failing to timely remove items won may be assessed under the auction terms and conditions.

Shipping

For your convenience, Purple Wave partners with Beaver Valley Logistics, LLC to provide shipping and transportation services. Beaver Valley Logistics will recommend the safest, most reliable and cost effective transportation options and coordinate all aspects of the shipping/transportation service directly with the buyers and sellers. NOT ALL ASSETS QUALIFY FOR SHIPPING. Beaver Valley Logistics is available to handle all lots that are 1,000 lbs. or greater. The decision to support shipping/transportation is entirely up to Beaver Valley Logistics. The shipping arrangement is ultimately between the buyer and Beaver Valley Logistics. While Beaver Valley Logistics is our preferred shipping company, other shipping options can be provided by contacting auction@purplewave.com. To obtain a quote from Beaver Valley Logistics, contact Glen Hayes at mc933907@gmail.com or 785.689.7573. In order to provide an accurate shipping quote, please supply Beaver Valley Logistics the following information.

- Origin and destination city, state and/or ZIP code
- Auction date and item number
- Commodity description (make, model, dimensions if known)
- Destination unloading capabilities (will there be a dock, forklift, etc.)
